Factory Records: The complete graphic album

Abstract

This is the definitive overview of the artwork of the seminal Manchester-based Factory label, covering its iconic record sleeves, posters, ephemera, venues and packaging. After a foreword by the late founder of Factory, Tony Wilson, an introductory essay discusses the label's role in bringing design to the mainstream. Thereafter the book is organized as an illustrated catalogue, arranged by the famous Factory reference system. "Factory Records", as part of the story, has been given its own reference number - Fac 461.
