Abstract
The Anchor began in 1887, and was first issued weekly in 1914. Covering national and campus news alike, Hope College's student-run newspaper has grown over the years to encompass over two-dozen editors, reporters, and staff. Each Wednesday throughout the academic school year (with few exceptions), the latest issue is distributed across campus. Occasionally, the volume and/or issue numbering is irregular. An index to the full collection can be found at the Joint Archives of Holland. For the most current issue, please visit The Anchor online.
